

BY THE  
**Lord Deputy**  
AND  
**COUNCIL,**

ARRAN.

**W H E R E A S** by Proclamation Dated the fifth day of May, 1684. We the Lord Deputy and Council, did for the reasons therein express, Restrain the Transportation of all sorts of Corn, Meal and Mault, out of this Kingdom, unto any place whatsoever beyond the Seas untill Michaelmas next. And whereas we have since received Information from several parts of the Kingdom, that there are great quantities of Corn, remaining of the last Years Harvest, as yet undisposed, more than will be necessary to supply the

Duration of the Subject untill next Harvest, which is now near approaching so as there can be no apprehension of the fear of any Scarcity or Dearth at this time. We therefore think fit hereby to take off the said Restraint prohibiting the Transportation of Corn, Meal and Mault, as aforesaid, untill We shall declare Our further pleasure therein. And heretof We require the Commissioners for management of His Majesties Revenue, and all His Majesties Officers in the several and respective Ports in this Kingdom and all others whom it may concern, to take Notice,

Given at the Council Chamber in *Dublin* the 21th. day of *June*, 1684.
